

TOGETHER WE GROW 2022

Dear Parents/Carers,

It has been a busy few weeks on the campus with more excursions and camps. Both the Year 6 and Year 4 camps were great, where the students enjoyed their activities at Woodhouse and Adare respectively. I had the pleasure of having breakfast with the Year 6 campers on the last day, just before they completed their final activity for their stay. I also stayed overnight with the Year 4 cohort, who were amazing and displayed respectful and calm behaviour. We look forward to our final camp of the year with our Year 8 cohort going to Mylor in Term 4.

As we move towards the end of this term, teachers are currently finalising assessments and writing reports, which will be sent out on the last day of term, Thursday 7 July.

MAD Night performance

Last Thursday night our Year 5 Brass Program, Year 6 Brass Pod, Drumline and Choir performed for the first time on stage at the Hopgood Theatre. One word summed up their performance – fantastic! They rehearsed well earlier in the day and performed brilliantly to parents, family and staff. I was really proud to see the students, who were a little nervous, perform to such a big audience. They were great. A big thank you to Ms Thomson for all the work getting things ready along with Mr Weber and Mr Gauci from Cardijn, Noarlunga. We look forward to the next MAD night in 2024.

Together we Grow

Last Friday was our annual Together We Grow Day where we focused on our Marist theme for the year of "Known and Loved." After Community Prayer, students participated in a range of activities that helped to reflect on God's presence in our lives, the message of Jesus for our world, and how we can spread that message of love and compassion through our lives. It was a wonderful day for students and staff. Special thanks to Yvonne Wenham for her organisation of our Special Subway lunch and to Aldinga Central Subway for their generosity in sponsoring this.

Building update

Unfortunately, due to the weather the steel on the new building has not been able to be put in place. We are assured that this will take place over the next few weeks, when we will finally be able to see the structure take shape.

You may also be aware of news in the media last night about the parcel of last between Galilee and the Super School. More information about this can be found in the following link from our Principal, Dr Paul Rijken, <https://bit.ly/3xUI5D7>

Kiss and drop

In the interest of safety can I please remind parents/caregivers not to park in the kiss and drop area towards the south of the car park. To enable kiss and drop to run smoothly and so traffic doesn't cause a jam on How Road, all of the kiss and drop area is used for this purpose in the morning and evening. Your support with this is appreciated.

Farewell to Dr Rijken

At the end of this term, we as a community at Cardijn College Galilee, will farewell Dr Rijken as our College Principal at a special Community Prayer on Wednesday 6 July at 9:15am. Please see the invite below for information and RSVP link.

Have good week everyone.

Wellbeing

Learn Well: A foundation for learning through wellbeing

Last week I attended a workshop to learn about a new South Australian Catholic Education (CESA) foundation paper, Learn Well. This document articulates how wellbeing and learning are interwoven into all we do.

Learn Well has been designed as a guide to help Catholic schools celebrate, reflect, and enhance ways to meet the needs of the students. The document aligns with the other CESA educational support materials and frameworks through exploring key principles and practices that support every child and young person to live well, learn well and lead well for the world God desires.

This document is a key resource for informing and shaping how schools frame wellbeing and implements strategies and programs to support wellbeing of learners and learning communities. We look forward to using this document as a system to promote wellbeing. We hope it may inspire us to be fully human – to be 'Well-beings'!

Wishing you well for the week,

Together we Grow – Known and Loved

Last week we learnt about and celebrated our identity and ethos as a Catholic school. We began, on Monday, with a homeroom prayer focus on the Feast of St Marcellin Champagnat, founder of the Marist order and with whom we are associated through the Marist Schools Association.

We ended the week with **Together We Grow** day and the theme of 'Known and Loved'. This day began with Community Prayer and included a morning of engaging activities for students that provided time and space to wonder about and better understand aspects of Christian spirituality. These activities ranged from meditation to the creation of a homegroup prayer cloth to garden work and care for creation.

We really value this opportunity. The relaxed and participatory nature of this time creates space for students to ask questions, wonder and theorize together about the 'big questions' - life, faith, hope and their world. It's always a privilege to listen to the voice and wonderings of young people.

To end the morning we had a special Subway lunch – many thanks to Yvonne Wenham, Cameron's mum for organizing this and a big thank you to Aldinga Central Subway for sponsoring our special lunch day!

Be Brave. Make Change.

National Reconciliation Week was between the 27th of May to the 3rd of June. It is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

Throughout the week our students participated in a range of activities. Across our school our students participated in an online art workshop with Pitjantjatjara artist Elizabeth Yanyi Close who taught us about boab nuts and how culture is expressed through colours and symbols.

We came together in our first whole school community prayer of the year that was centred around Thomas Mayor's picture book 'Finding Our Heart' which is about The Uluru Statement from the Heart. As a school we then did our annual reconciliation march. Throughout the day classes came up to sign our reconciliation banner to symbolise our commitment to reconciliation and The Uluru Statement from the Heart.

Our Early Years students had a visit from Nasyah Turner from The Living Kaurna Cultural Centre who ran an ochre workshop and taught our students about the cultural significance of ochre.

Reconciliation is an ongoing value at Cardijn College Galilee and is not bound between the dates of National Reconciliation Week. Stay tuned for more to come throughout the year.
